

**TAAF forgery (1968)**  
**French Southern & Antarctic Territory**  
**Concorde Air mail unissued**

Genuine

Forgery

Genuine

Forgery

The 87 francs Concorde stamp was printed but never issued and was replaced by the 85 francs stamp with the same design.

The genuine is engraved and perforated 13. The forgery was made using digital printing technology and is perforated 11.

Hopefully, nobody with his right mind would purchase such an item without a good knowledge of printing or a certificate!

These reproductions are not welcomed at philatelic exhibitions!
