

# Nigeria counterfeit FIFA – World cup of soccer (1999)

Genuine

Forgery

Genuine

Forgery

These counterfeits were used as part of a large mail fraud (Nigeria 419 mail scam). Some of the postmarks are also forged.

The perforations on the genuine stamp measure 13 X 14, the counterfeit is pin perforated and difficult to measure. The quality of print is quite poor.

It is interesting to note that these were the same forgers as the antelopes counterfeit as some of the printing waste was used to print this stamp.

Back of a FIFA counterfeit stamp.
