

Dear Sir/Madam,

The designated operator of the **REPUBLIC OF CONGO**, the Congolese Posts and Savings Company, asks me to inform UPU member countries of the following:

"The Congolese Posts and Savings Company regrets to inform UPU member countries that the issues depicted in the annex were not issued by the Post of the Republic of Congo. These issues are therefore illegal.

"The Congolese Posts and Savings Company asks UPU member countries to refuse to process mail bearing the issues in question."

Yours faithfully,
